Re: Eighth Grade Trip Fundraising
Date: September 21, 2011

There are many schools of thought about fundraising for this trip. Many of us would like to just write the check and be done with it. This is not always an option for people so many of us welcome any fundraising opportunities available. With that in mind I welcome any and all ideas from you. Any ideas must be approved by Beth Bohn and the School Committee. Once approved the execution of the fundraiser will be put squarely in the hands of the parent with the plan. We will supply help and publicity for fundraiser but the execution must be handled by the parents. The proceeds from each fundraiser will be distributed to the students based on family participation. Some of the past fundraisers were; candy bar sales, a car wash, a meat raffle and a night at the 99. If anyone would like to take on any of these suggestions please let me know. I can be reached at julery62@aol.com or on my cell phone (781) 267-5072.

Thank you all in advance for your efforts to make this a fun and successful trip for our children.
